

Dear Parents,

This is the new system for homework in the Spring Term.

Each child will have a name booklet, containing one maths practice sheet at an appropriate level and one SPaG (Spelling, Punctuation and Grammar) sheet for each week.

The homework is set on the Friday and due in on the Wednesday of the following week. This will allow time for marking and to address any issues or misconceptions which may have arisen. Children who have not managed to complete their homework will be given the opportunity to do this at school, at lunch time.

In addition to the weekly homework, there will be a one-of project, which will be explained in a separate letter.

Please also continue to read to and with your children and practise spellings and times tables; it is so important!

If you have any questions or problems about the homework, please ask me at the end of school or make an appointment. I am always very happy to meet you to continue to support your child's education together with you.

Yours

Isla Ferguson
