27. Extraordinary meetings can be called at shorter notice:
 - a) by the Chair when there is a matter requiring urgent consideration;
 - b) by a request to the Clerk, signed by three Governors, setting out reasons for calling the meeting.

Meetings 3: Quorum

28. At full Governing Body meetings the quorum will be one half (rounded up) of the actual membership of the Governing Body, excluding vacancies, save for the exceptions listed below, where the quorum must be two thirds (rounded up), of those members of the Governing Body entitled to vote:

29. If there are insufficient Governors present to form a quorum, the meeting cannot take place. When a meeting becomes non-quorate because Governors have to leave, the meeting will be terminated. Outstanding items will normally be placed on the agenda of the next meeting.

Agenda

30. The agenda for full Governing Body meetings will be decided by the Headteacher and Chair of Governors, in consultation with the Clerk.
31. Governors can suggest agenda items for a meeting by submitting their proposal in writing to the Chair of Governors before the agenda discussion.

Confidentiality

32. A matter is confidential if so declared by the Chair at a meeting with the agreement of the members.
33. Generally this will include details of any dispute, discussion or disagreement.
34. A confidential matter is not to be discussed outside the meeting with anyone.
35. The minutes of confidential matters are printed on pink paper for ease of identification and distributed only to members of the Governing Body (or committee, as appropriate).
36. If confidentiality is broken, the Chair will speak privately to the Governor concerned and explain that it is both wrong and damaging to the school and the Governing Body. If this has no effect, the Governing Body will consider passing a vote of censure on the Governor at a full, possibly extraordinary, meeting of the Governing Body. The Governor concerned will have the opportunity to reply to the charge at that meeting.

Voting

37. A vote will be taken on all agenda items requiring a decision. This will be clearly indicated in the meeting agenda.
38. A vote is taken by a show of hands.
39. If a governor cannot attend a meeting in person, he or she may participate in discussions by means of Skype, telephone conferencing or other electronic means. Only if a governor has done so beforehand, may he or she also cast a vote by similar electronic means. In no circumstances may a governor cast a vote by electronic means without having first participated or had the opportunity to participate in the preceding discussions.
40. The number for, against and abstaining is recorded in the minutes. For full Governing Body meetings, the Chair has the casting vote in the event of a tied vote.

- 64. The policy emphasises that visits are carefully planned, are sensitive to the workloads of staff, and involved joint feedback by the staff and Governor involved in the visit.
- 65. Governors distinguish between their visits as a Governor and in some other role (e.g. parent, member of staff etc.).
