

8th September 2017

Dear Parents,

I will be setting homework most weeks. This is intended to give you a chance to see what we are covering in school in terms of grammar or maths, and to allow you to look at it together with your child. Each sheet will have a variety of questions based on year 3 content. It is not intended to be an extra stress; your children are working hard already!

Homework will be set on Friday to be returned by Tuesday, so that I have time to discuss any problems with the children before the next homework date.

Spellings will also be set weekly. At the back of the homework books is a list of the spelling rules to be covered in the first half term. We will practice the spellings in class, but it will also help your child if you can practice them at home as well, not only learning the spelling, but also ensuring that your child understands the word and can use it in a sentence.

Please continue to read with your child. Even when they can read fluently on their own, it is very important to discuss the book, check that they understand new words, etc.

Please don't hesitate to talk to me if you have any concerns about homework.

Yours

Isla Ferguson
